 - c. TNR Report – Sallie has filled the shed. We have 3 females and 2 males surrendered (4 Siamese kittens and 1 Tortie) and 1 very pregnant mama. We adopted 5 cats yesterday. We have added quite a few on Petfinder and 1 was adopted within hours of our post. We received 1 mama cat from the shelter who had 2 kittens. Sallie and Joie bottle fed until we could get the kittens with a surrogate mother as the mother didn't want anything to do with them. One of the kittens need medical attention as the tail was striped and will die if it isn't attended too. Ashton Hanson's mother had a mother cat who accepted them. Ashton would like help placing the kittens the mother cat had, but we would need to spay the mother if we help place the kittens. Plamer's playhouse said there isn't a cat problem anymore. Sallie trapped over there but the only thing she caught was a skunk. A Lady from Saratoga will bring us a bunch of kittens on the 10th for barn cats.

We have a bunch of kittens that need placed would like to have a ½ price sale on Tabby's in August. Motioned by Joie and Seconded by Daniela The ads will be first week kittens, 2nd week about donations for the garage sale.
